Advertiser Testimonials

Rudy and I would like to let you know how happy and impressed we are with our ad on the tables at Morgans Restaurant in Penn Hills.

3 years ago we placed our ad on the first set of tables at Morgans.

We track all of our leads and we know where every one comes from. Our Talk'n Table ad has paid for itself over and over again!

We are now on the 2nd set of tables at Morgans with a bigger ad!

Your Talk'n Tables really works.

Thanks for introducing us to Talk'n Tables.

Sincerely

Rudy and Cookie Pongracz
